

HIGH PRECISION IN SMALL SPACES

Precision and performance you can rely on

The requirements for fiber optic solutions can be very demanding particularly for applications with extreme temperatures and aggressive chemicals or for applications requiring highest precision with limited mounting space.

With the wide range of E32 fiber heads and the easy-usage amplifiers, the best performance fit for your application can be provided. And highest quality control procedures in design and manufacturing ensure the precision and long service life you can rely on.

- Long operational life
- Easy to install and adjust
- Wide portfolio range for best performance fit
