President Carrie Bonica

Arcolectric worldwide

Company Secretary

Arcolectric Switches plc, established in 1932, specialise in the manufacture of appliance switches, indicator lights and fuseholders for every kind of product from computers to coffee machines and lighting to laser printers.

We have two fully integrated factories totalling 90,000 sq.ft. in Surrey, England, where we manufacture mouldings, springs, pressings and turnings. The majority of our product is assembled automatically.

Arcolectric also have purpose built factories in Shenzhen, China (42,000sq.ft) and Tunis, North Africa (30,000 Sq.ft.).

The Group has recently acquired Otehall Switches Ltd., a specialist manufacturer of high quality snap-action switches.

Arcolectric Switches plc and Otehall Switches Ltd are wholly owned subsidiaries of Arcolectric Holdings plc, a Public Company quoted on the Alternative Investment Market (AIM) in London.

Profile

Approvals 💨 🕦 🏵

The majority of Arcolectric products are covered by international approvals. These will assist you in obtaining worldwide approval of your own products.

Europe - The ENEC mark replaces national approval marks for switches complying with product standard EN61058-1.

America - Switch approvals to UL1054.

Canada - Switch approvals to CSA C22.2 No.55-M1986. Our North African and China factories are also approved by these authorities.

Quality Assurance Approval

We are a BSI Registered Firm to BS EN ISO 9002: 1994. Certificate No: FM 14821.

Not all products are produced on site, such items are therefore not manufactured under this approval.

C € Appliances bearing the C € mark are able to circulate freely in Europe. Products in this catalogue, when fitted correctly, comply with the C € requirement insofar as it relates to them.

Product from stock

For stock product availability please visit our website, call our sales office or contact your nearest agent or distributor, listed on the back of this catalogue.
