for automotive, home, marine and RVs.

EATON

Powering Business Worldwide

New Bussmann series product packaging coming 2017

Greater product display per linear foot with new, **compact** card sizes.

Tri-lingual packaging meets today's **marketing** needs.

Enhanced **shopability** with large product and amp rating text.

Quick **identification** with product family color coding.

Bussmann **yellow** stays prominent.

Bold new look.
