Modular Knifeblade Fuse Blocks

Industry's first modular fuse block simplifies design and enhances safety

Bussmann
by EATON

Increase flexibility and electrical safety with Bussmann's snap-together Class H(K), J, and R knifeblade fuse blocks.

As the only company with a complete portfolio of circuit protection solutions to meet every application need, Eaton and Bussmann offer unmatched leadership in circuit protection.

More expertise. More solutions. Expect more.

Leadership in Circuit Protection.

The only company

that can provide a complete circuit protection solution for all applications.

Only Eaton can deliver...

- The most diverse solutions to mitigate arc flash energy to keep people and equipment safe
- The smallest and most cost effective way to meet selective coordination requirements
- The most experienced, time-tested solutions to meet national & local code requirements
- The easiest specifications with the most tested fuse/circuit breaker and circuit breaker/circuit breaker series rated combinations
- The only one-stop shop to solve your design challenges using our expertise and an unmatched portfolio

The Eaton advantage.

Powering business worldwide

As a global diversified power management company, we help customers worldwide manage the power needed for buildings, aircraft, trucks, cars, machinery and businesses.

Eaton's innovative technologies help customers manage electrical, hydraulic and mechanical power more reliably, efficiently, safely and sustainably.

We provide integrated solutions that help make energy, in all its forms, more practical and accessible.

With 2012 sales of $16.3 billion, Eaton has approximately 103,000 employees around the world and sells products in more than 175 countries.
