## Please Observe the Following Notes

In order to guarantee the safe use of the product described, please read this manual carefully. The following notes give you information on how to use this manual.

### Qualifications of the User Group

The product usage described in this manual is exclusively aimed at qualified application programmers and software engineers who are familiar with the safety concepts of automation technology, as well as the valid national standards. Phoenix Contact assumes no liability for damage to any products resulting from disregard of information contained in this manual.

### Explanation of Symbols Used

The *attention* symbol refers to an operating procedure which, if not carefully followed, could result in damage to equipment or personal injury.

The *note* symbol informs you of conditions that must strictly be observed to achieve error-free operation. It also gives you tips and advice on hardware and software optimization to save you extra work.

The *text* symbol refers you to detailed sources of information (manuals, data sheets, literature, etc.) on the subject matter, product, etc. This text also provides helpful information for the orientation in the manual.
